Get to know the company

Whether you work in the hospitality industry, the supermarket, or at the campsite itself, to our guests, we are not separate departments, but one campsite. One place where they want to feel welcome, relaxed, and seen.

With this booklet, we take you behind the scenes at Julianahoeve.

You will learn who the faces behind the company are, what we stand for, and how all the parts come together to offer our guests a top experience. Because the better you know the story, the easier it becomes to answer questions, interact with guests, and give them that little bit extra.

With attention, teamwork, and fun, we create a pleasant working atmosphere and ensure that every guest leaves with a good feeling—and wants to come back. Welcome! We are glad you are here.

“For our guests, we don't act as separate departments, but one campsite.”

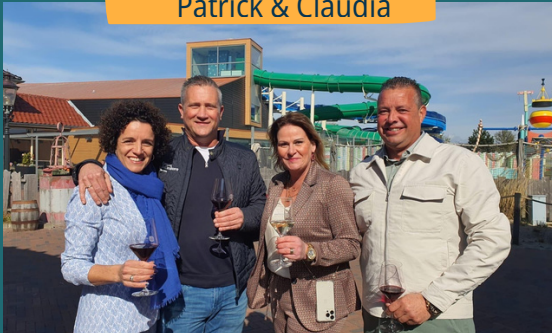

The faces behind the Julianahoeve

The family atmosphere within the company has ensured that we have a close and loyal team. We believe it is important that everyone knows each other and knows who to turn to, both for work-related questions and for a chat in between.

First, we would like to introduce you to the Troost and van Oeveren families. Of course, it doesn't stop there; the best part is that you get to know your colleagues through your daily work and that together we create a good working atmosphere.

Mission & vision in a nutshell

We have been running this campsite as a family for almost 26 years and have gained a wealth of knowledge about this wonderful industry. Our mission was to turn a simple campsite into a complete holiday park. We have certainly succeeded! We are an ANWB Top Campsite and have a 5-star rating. It is important to stay at the top, and you will help us achieve that.

Our vision is: "We do it right, or we don't do it at all."

26 years ago...

About 26 years ago, there were two campsites next to each other on the site.

Camping Julianahoeve and Camping Wilhelminahoeve. They were good neighbors, each with their own story.

Then, Julianahoeve took over the neighboring campsite, and the two parks continued as one.

At that time, Julianahoeve was still small and intimate. Mainly annual pitches, one toilet block, a reception, and, of course, catering facilities. It wasn't the large park we know today, but it had the same foundation as it does now—hospitality and a welcoming place to stay.

Fun fact:

Karin has been with us since 2000. She started out cleaning and working at reception. What's even better is that Karin still works at the campsite! She takes care of financial and administrative matters.

Meet the manager

Johnny started his internship at Julianahoeve in 2005. After many years of work experience in various departments, he is now the facilities manager. He lives at the campsite with Robin and their two sons.

Growing into a top 5-star campsite

In recent years, we have continued to innovate, renovate, and keep up with the latest trends. As a result, you now work at a 5-star campsite, where all the facilities are available for an unforgettable vacation.

You can also enjoy a tasty ice cream, a beer, or a cup of coffee here.

Eb & Vloed

In this trendy restaurant, you can enjoy meat or fish, a tasty snack, or a good glass of wine in the lounge! There are 150 seats inside and 120 more outside.

Children are welcome. There is even a play area inside the restaurant.

This restaurant is leased along with Foodcourt42. Dennis Quist has been the owner since 2023.

Sanne and Rados manage the restaurant on a daily basis.

In April, Eb & Vloed will launch a new concept: tapas!

Beach pavillion Zuid-Zuid-West

In 2022, this beautiful beach pavilion in this unique location went up for sale. For Bas, Patrick, and Claudia, this was the moment: they took over Zuid-Zuid-West, with Bas and Claudia regularly working on the floor.

At Zuid-Zuid-West, you can enjoy a relaxing drink, an extensive lunch, an cozy dinner, or just fries with your feet in the sand.

Welcome!

De VakantieSuper

On the campsite, you'll find a spacious, well-stocked supermarket run by VakantieSuper. This seasonal store is open daily from March through September and offers everything a camper could wish for.

Both campers, you as staff members, and visitors from outside can find fresh bread, fruits and vegetables, and other everyday essentials here.

In 2025, the supermarket was completely renovated, gaining a fresh, modern look. Above the store, the campsite has created apartments for staff from all different departments.

Strandcamping de Zwinhoeve

Sister company

We also operate Strandcamping de Zwinhoeve in Retranchement (Zeeuws-Vlaanderen). This park is much smaller, but offers the same top-quality service and prime location as Julianahoeve.

Yvonne and Sander van der Vet are the managers here. They worked at Julianahoeve for many years and now manage this wonderful park.

'We enjoyed living and working at the Julianahoeve for many years, but we are very happy with the move to become managers of the Zwinhoeve in Zeeuws Vlaanderen'.

LibaQuin B.V & Erfpachtparken

In 2018, we built a property in Renesse containing nine shops and fifteen apartments. These are managed by LibaQuin B.V. Administration and maintenance are also handled from Julianahoeve.

We own eight leasehold parks. These parks are located in Renesse, Den Osse, Ouddorp, and Ooltgensplaat.

The administration is handled from Julianahoeve, as is part of the maintenance.

Annual pitches

Our annual pitches are named after birds. Interested families can rent land from us and place their own mobile home or chalet on it. All annual pitch owners can use the facilities, such as the swimming pool and theater, year-round. Many annual pitch owners rent out their chalets. They can do this themselves or via the campsite's website. Because (almost) every annual pitch belongs to a different family, all the chalets are unique!

Rental accommodations

In addition to annual pitches, we also have our own chalets. The chalets are comfortably furnished and equipped with a kitchen, bathroom, toilet, TV, bedrooms, and a terrace. We even have chalets with a sauna!

Are you curious about what a chalet looks like inside? Stop by the reception desk and we can schedule a tour for you!

Camping pitches

We offer various types of camping pitches, ranging from pitches with electricity and water connections to luxury pitches with private bathrooms (two of them even have a bathtub!). Most pitches are suitable for a tent, folding camper, or caravan. We also have paved pitches, especially for motorhomes.
